

# Water Treatment

Client Premier Oil,  
Natuna Sea BV

Project Gajah Baru Field  
Development

Location Offshore, Indonesia

Delivery 2010

## Plant Details

Capacity: 3,450 BWPD

Oil Inlet Concentration: 2,000 ppm

Oil Outlet Concentration: < 15 ppm

Operating Temperature: 43 °C

Three (3) Deoiler Hydrocyclones on the right feeding into a single Dissolved Gas Flotation Unit
